## PLAN TO GO TO

### THE ORPHEUM

## REPUBLICAN RALLY

The Republican rally tonight at the Orpheum begins at 7:30 o'clock sharp and it will be one of the biggest political demonstrations ever seen in Honolulu. The best seats in the house have been reserved for ladies who are cordially invited to be present. It is understood that the ladies of Honolulu are planning to come out en masse to night and signify their interest in the political issues under discussion and lend their influence to the support of the Republican fight for good and efficient government.

The meeting will be presided over by Geo. W. Smith. Addresses will be made by A. G. M. Robertson, Lorrin Andrews, Robt. W. Brockton, C. M. White, Geo. A. Davis and W. A. Achi. The best orchestral and vocal music to be obtained in the city will be provided. A number of songs have been composed for the occasion on campaign topics. The meeting will be as instructive as a lecture by a Prime Minister and as entertaining as a performance by Fiddie Dee Dee.

In anticipation of an overflow house, the management has arranged for an outside meeting, where speeches will be made from the church steps across the road from the Orpheum. The curtain goes up promptly at 7:30.

## BRIGHT'S DISEASE AND DIABETES NEWS.

Office German Democrat, San Francisco, Sept. 19, 1904. To the Editors of Honolulu.

Dear Sirs:—For many years an editor myself, I address you by request and as a simple duty. A great discovery has been made in this city. It is fraught with so much importance and yet is so hard to believe, that those who are personally cognizant should add the weight of their influence, be it great or small.

I not only know by contact with many of the beneficiaries but was myself rescued from Bright's Disease by it. The cure has been found, and the difficulty in believing it is costing many lives. It is astounding how far our prejudices carry us. But the great fact is here, and acceptance means recovery.

After my own unexpected release I wouldn't let my friends rest and several took the treatment and recovered. One was Charles F. Wacker, the Sixth Street merchant. He had Diabetes and thought he was going to die. He got well and passed for a \$5,000 policy.

I say to you as a brother editor that those of your friends who have Diabetes or Bright's disease, and every one knows of some, that they can recover. I will be glad as one of many survivors out here to give you further information.

Yours &c.,

CHAS. H. ENGELKE.

We sent for the Fulton Compounds to which the above refers and now have them in stock. They are the first cures the world has ever seen for chronic Bright's Disease and Diabetes. We are sole agents. Free pamphlet.
